## Food and Beverage Options

### Catering

The Bundeena can offer a range of catering options to suit guest requirements. With a buffet style side bar The Bundeena is best suited to light finger food casual dining with a range of hot and cold options available.

A sample finger food menu is attached featuring popular choices with both Vegan and Gluten Free options. Our caterers are also able to meet any specific requests or dietary requirements you may have.

A barbeque option is available on request.

### Beverages

The Bundeena features a licensed bar accommodating beer, wine and spirit choices with soft drinks and fruit juices available. The bar can be operated in one of three ways –

#### Cash Bar

With the Cash Bar option guests pay for their own drinks at the bar for the duration of the cruise.

#### Consumption Bar

With the Consumption Bar option drinks are charged to the booking party based the consumption, similar to a bar tab. A limit can be applied after which the bar becomes a cash bar, and guest pay for their own drinks.

#### Beverage Package

For the Beverage Package option drinks are charged on a per person/per hour rate. The advantage of the Beverage Package is that the cost of drinks for the charter is predetermined allowing the booking party to plan accordingly.

There are three Beverage Packages available, the House Package, Premium Package and the Spirits Package – examples are attached.

### \*\* Important Note\*\*

Regardless of the package chosen The Bundeena is bound by the Responsible Service of Alcohol guidelines and reserves the right to refuse service to any person or group of persons deemed sufficiently intoxicated to pose a risk to themselves, other guests or the vessel.

In the event that a person or group of persons are required to leave the vessel the closet practical drop off location will be chosen, which may be some distance from the departure point.
